

WORLD BOOK WEB

Our library subscribes to the following award winning **World Book Web products** that provide endless possibilities for home learning and entertainment.

- **World Book Kids** - is based on World Book's award winning Discovery Encyclopedia and is designed to give younger students, ESL students and reluctant readers a rewarding online learning experience. The site illustrations, diagrams and maps enrich more than 2,000 articles selected for appeal and relevance.
- **World Book Student** - forms the foundation of an expansive reference database that includes over 40,000 encyclopedia and reference articles, thousands of links to outside web sites selected by World Book editors and contributors. It also includes an extensive Dictionary and Atlas plus audios, visuals and animations.
- **World Book Timelines** - browse **425 unique Timelines** spanning the arts, science and technology, society and culture, sports, world history, geography and more! **Create, customize, collaborate, and share** your timelines. Use **12,000 events** built into the product. It **includes historical notes, and a** wealth of engaging **images and videos** to craft stunning presentations.

It is integrated with World Book's **My Research accounts**. It is great for visual learners and perfect for all ages. World Book is supported on most popular Tablets and Handheld Devices.

Our World Book subscription allows us to give you and your family access to this valuable reference source at your home computers 365 days a year, 24 hours a day. We are providing this service to you at **no charge!**

We hope that your whole family will use the World Book sites often to help with at-home learning and information seeking.

To access the World Book Web, follow these simple steps:

1. Go to the World Book web site: <http://www.worldbookonline.com>
2. Type in the following user Login ID: **beresfield**
3. Password: **beresfield**

Please remember that login and password information is for students and their families only, and extending this information to people who do not live within the school district could result in loss of at-home access for our students.
