Term 2 Week 10

Monday 29th June 2020

PRINCIPAL TALK

Well Earned Rest

Well we've just about made it to the holidays. For some reason, even though many of the usual activities aren't happening this year, students and staff are feeling drained. Perhaps many parents are feeling the same. We are hearing from colleagues in other schools near and far that they are experiencing the same weariness. As we have come out of COVID-19 and have navigated the 'new normal', it has been taxing for us all. The students have done a great job in continuing to show great focus in their learning and behaviour all the way till the end of term.

Reporting to parents

Reports will be sent home in students' bags this Wednesday 1 July. If you would like to meet with the teacher to discuss the report, please make an appointment at the office.

We have developed a simple, one-page report, it will have just three comments - English, Maths and a General comment.

Happy Holiday

Enjoy the Winter break. Students return on Tuesday 21st July. Teachers will return the day before, preparing for the upcoming term and doing some professional development.

Mr Jonathan Ridgway
Principal

Introduction to school evening

An information session will be held in our School Library on Thursday 30th July 2020 at 5:30pm.

Do you know any families who have a child starting Kindergarten at Beresfield Public School in 2021 and are new to the school?

Beresfield Public School will be hosting an information session which will provide parents/caregivers with

information about the school, the Kindergarten transition program and also information on preparing your child for school success. You will be introduced to school staff and be able to ask questions related to starting school.

This is the first step on our journey together and we hope that you will find this early opportunity to connect with your child's locally zoned school helpful in understanding how we can work together in education partnership.

We look forward to seeing you there. If you have any questions, please contact the school.
