Term 3 Week 3

Monday 3rd August 2020

## PRINCIPAL TALK

### Business as usual

While COVID-19 happens all around us, at school we are getting on with business. There is lots of good learning going on. We are taking advantage of the fact that many extra-curricula activities have been cancelled which means more time in the classroom focusing on the curriculum. It's been quite nice really to not have too many interruptions and just teach and learn.

### Education Week

'Learning together' is the theme for Education Week and reflects the incredible months of 2020 where our students continued to learn and achieve, despite fires, floods and a pandemic.

The messages we want to convey during Education Week are:

**Schools are the cornerstone of communities:** Parents and carers are our partners in learning. Schools and families benefit from strong, respectful relationships where responsibility for student learning is shared.

**Change and resilience:** Our teachers and students are lifelong learners, collaborating in a positive learning environment to achieve their best. Learning together makes us stronger and creates resilient communities.

**Connect better and learn together:** Our school staff are dedicated professionals who know, value and care for all students. Technology enables learning together anywhere, any time.

Happy Education Week to you all.

### Major excursions

Now that major excursions are cancelled, I'd like to thank those families who have chosen to pay off outstanding fees with returned funds.

For those electing refunds, I'd like to thank you in advance for your patience. Our wonderful ladies in the office are processing the refunds as quickly as possible,
